- Provide initial service intentions and requirements of the contract,
- Assess the interest in delivering this contract,
- Understand the market and any opportunities or new ways of working,
- To answer questions on the requirements and determine if this needs to be accommodated in the tender specification / considerations,
- To provide an opportunity for suppliers to raise any questions or concerns that they may have.
- Provide the best sustainable delivery solution within current parameters

Dyfed-Powys are arranging two pre-market engagement events in partnership with Business Wales.

21st November 2025 between 10am-12noon, there will be a webinar session available for interested providers to understand the processes and platforms required to submit a tender for this opportunity.

Please note this engagement is not the space to ask specific delivery questions about the contract.

27th November between 2pm and 4pm, there will be an on-site opportunity for providers to discuss contract delivery and requirements with Dyfed-Powys Police Estates Team. For this session we require questions to be posed in advance, to ensure all can be fully answered. They will be answered, where possible, in the open forum of the session and shared post-event to ensure transparency for those organisations unable to attend.

Questions are to be emailed to [procurement@dyfed-powys.police.uk](mailto:procurement@dyfed-powys.police.uk) by Tuesday 25th November 2025 at 5pm. If any of the questions to be posed contain confidential information or providers wish the question/answer to remain confidential then please clearly advise in advance.

Any question asked on the day, not posed prior, will be recorded as much as is possible and shared with other posed questions from the session.
