## **Section II: Object**

### **II.1) Scope of the procurement**

#### **II.1.1) Title**

Hyperbaric Oxygen Therapy (HBOT) Services for all ages (Lot 1: North West, Lot 2: North East and Yorkshire, Lot 3: East of England, Lot 4: Midlands, Lot 5: London and South East, Lot 6: South West)

#### **II.1.2) Main CPV code**

- 85100000 - Health services

#### **II.1.3) Type of contract**

Services

#### **II.1.4) Short description**

NHS Arden and Greater East Midlands Commissioning Support Unit (AGCSU), on behalf of NHS England (referred to as the Commissioner), invited suitably qualified and experienced providers to respond to a Competitive Process for the provision of Provision of Hyperbaric Oxygen Therapy (HBOT) Services for all ages (Lot 1: North West, Lot 2: North East and Yorkshire, Lot 3: East of England, Lot 4: Midlands, Lot 5: London and South East, Lot 6: South West).

The service is commissioned in England for two specific indications in line with NHS

England Clinical commissioning policy: Hyperbaric oxygen therapy for decompression illness/gas embolism (all ages). <https://www.england.nhs.uk/publication/hbot-decompression-illness-gas-embolism-all-ages/>

The aim of the service is to deliver Hyperbaric Oxygen Therapy (HBOT) where clinically appropriate for those suffering from Decompression Illness (DCI) or Gas Embolism.

The key objective of the Competitive Process was to commission six (6) geographically dispersed centres for the provision of Hyperbaric Oxygen Therapy (HBOT) Services for all ages.

As a result of this procurement exercise the commissioner intends to award contracts for the following Lots:

Lot 3: East of England

Lot 5: London and South East

Lot 6: South West

The service is due to commence on 1st October 2025, for a period of 5 years with the Commissioners having the option to extend for up to an additional 1 + 1 year(s) (maximum contract duration 7 years).

ages/The aim of the service is to deliver Hyperbaric Oxygen Therapy (HBOT) where clinically appropriate for those suffering from Decompression Illness (DCI) or Gas Embolism. The key objective of the Competitive Process was to commission six (6) geographically dispersed centres for the provision of Hyperbaric Oxygen Therapy (HBOT) Services for all ages. As a result of this procurement exercise the commissioner has awarded contracts for the following Lots: Lot 3: East of England - The approximate lifetime value of the contract is estimated to be £7,846,195.00. Lot 5: London and South East - The approximate lifetime value of the contract is estimated to be £7,997,444. The service commenced on 1st October 2025 and will run for a period of 5 years with the Commissioners having the option to extend for up to an additional 1 + 1 year(s) (maximum contract duration 7 years). The following lots have not been awarded under this process: Lot 1: North West Lot 2: North East & Yorkshire Lot 4: Midlands Lot 6: South West

## **VII.2) Other additional information**

This is a Provider Selection Regime (PSR) confirmation of contract award notice. These contracts have been awarded under the Health Care Services (Provider Selection Regime) Regulations 2023. For the avoidance of doubt, the provisions of the Procurement Act Regulations 2023 do not apply to this award. This contract has now been formally awarded using the competitive process. The decision makers for this process were the NHS England's National Commissioning Group. There were no conflicts of interests declared in reaching the decision to award.
