Scope

Description

The QEII Centre intends to procure the replacement, testing and commissioning of LED lighting within its event areas and associated spaces.

The Centre has a total of approximately 6,750 square metres of function and event space, and the works are expected to be delivered in phases over a three-year period.

Interested organisations may express an early interest in this forthcoming procurement using the details below.

Total value (estimated)

- £1,252,000 excluding VAT
- £1,502,400 including VAT

Above the relevant threshold

Contract dates (estimated)

- 1 May 2026 to 30 September 2029
- 3 years, 5 months

Options

The right to additional purchases while the contract is valid.

The Centre may also wish to include the painting and repair of ceilings within the contract, or specified separately, to run co-terminus with the work. The reasoning for this is that the ceilings will be accessible and working at height equipment will be use.
