Published 11 November 2025, 3:49pm

Changes to notice

This notice has been edited. The [previous version](#) is still available.

Submission details and dates updated to allow an extension for tenders to be submitted.

Scope

Description

Exeter City Council seeks to appoint a contractor to undertake essential refurbishment works to King William Street Bridge, a steel truss pedestrian bridge connecting Sidwell

Street and the John Lewis Car Park across a two-lane, one-way carriageway. The works include replacing the roof system with improved drainage, replacing corroded transverse beams and fixings, undertaking localised steelwork repairs to parapet elements and associated paintwork repairs. A full specification of works has been produced by ECC's Principal Designer. The appointed contractor will be responsible for proposing a cost effective delivery method, managing all work at height, highway access, traffic management and relevant consents, and coordinating with ECC and the Principal Designer to deliver the scheme in line with DCC Highway conditions and relevant legislation.

Total value (estimated)

- £140,000 excluding VAT
- £168,000 including VAT

Below the relevant threshold

Contract dates (estimated)

- 2 February 2026 to 1 July 2026
