II.2.4) Description of the procurement

Sellafield Ltd intends to award a Contract to the Cumbria Manufacturing Alliance—an unincorporated joint venture between West Cumberland Engineering and Bendall's Engineering Ltd—for the supply of Manufactured Products Agile Spares.

This agreement will encompass, but is not limited to, the following scope:

- Ongoing supply of manufactured and fabricated products/spares to support stock replenishment across Sellafield Ltd's operational plants, including minor project-related requirements. These products are deployed site-wide and are essential to maintaining continuous operations.
- Provision of Calciner spares, which are critical to the functioning of the High-Level Waste Plant (HLWP).
- General machining and fabrication, including the production of high-precision and complex components from a wide range of material grades—such as carbon steel, stainless steel, and exotic alloys—manufactured to engineering drawings and up to Quality Grade 01.
- Execution of manufacturing trials and prototyping activities to support innovation and development.

The Commencement date is 3rd November 2025 and will be for a period of 4 years. The total final value £29,900,000 (provided at II.1.7) is for the 4-year duration and includes indexation.
