086-TRAN-25

Description

The Authority sought tenders from suitable Contractors to undertake vehicle repairs to damaged motor vehicles following collisions. This Contract is predominantly for West Yorkshire Police fleet vehicles but may, from time to time, be utilised for repairs to third-party vehicles and also may be accessed by South Yorkshire Police.

The number of vehicles requiring repairs may vary, however as an indicative guide, the annual estimated spend for collision repairs across the West Yorkshire area is £1,200,000 with repair jobs ranging in value from £30 to £30,000.

Main procurement category

Services

Options

The right to additional purchases while the contract is valid.

The right to additional purchases while the contract is valid.

The Contract is primarily for use for West Yorkshire Police vehicles; however South Yorkshire Police (SYP) may also access this Contract from time to time. In addition, there

may be requirements for third-party vehicle repairs to be undertaken via this Contract on an ad-hoc basis.

South Yorkshire Police

SYP has an in-house repair facility and may require the services of an external Contractor on an ad-hoc basis where their in-house provision is at capacity. SYP have a fleet size of 700 vehicles and the annual estimated spend under this Contract may be in the region of £10,000, however there is no guarantee of value or volumes for SYP and no further information on their current or future fleet available at this stage.

Third-Party Vehicle Repair

West Yorkshire are responsible for the repair of Third-Party Vehicles (when requested by the vehicle owner) where it is determined the Police Force are at fault for the damage.
