Description

South Tyneside Council wish to establish a framework agreement for the supply, installation and repair of pitched and flat roof coverings and associated components.

The framework agreement will be divided into four lots as follows: -

Lot 1 - Supply and installation of pitched roof coverings with associated components and building works over £250,000

Lot 2 - Supply and installation of pitched roof coverings with associated components and building works less than £250,000

Lot 3 - Supply and installation of flat roofing systems and associated products and repairs.

Lot 4 - Repair and maintenance works to pitched and flat roofing structures and coverings.

Commercial tool

Establishes a framework

Lot 1. Lot 1 - Supply and installation of pitched roof coverings with associated components and building works over £250,000.

Description

Supply and installation of pitched roof coverings with associated components and building works over £250,000.(Intended for large scale, high value projects, including roof replacement programmes)

Lot 2. Lot 2 - Supply and installation of pitched roof coverings with associated components and building works less than £250,000.

Description

Lot 2 - Supply and installation of pitched roof coverings with associated components and building works less than £250,000.

(Intended for lower value one-off and programmed work. Works required will typically be identified on an as and when required basis.)

Lot 3. Lot 3 - Supply and installation of flat roofing systems and associated products and repairs.

Description

Lot 3 - Supply and installation of flat roofing systems and associated products and repairs.

(Intended for all flat roof replacement works, including proprietary roofing systems. Works required will typically be identified on an as and when required basis.)

Lot 4. Lot 4 - Repair and maintenance works to pitched and flat roofing structures and coverings.

Description

Lot 4 - Repair and maintenance works to pitched and flat roofing structures and coverings.

(Intended for all repair and maintenance works required. Works required will typically be identified on an as and when required basis.)

Framework operation description

Using the Framework - Call-off (Allocation) process

Lot 1

Further competition with all contractors able to meet the requirement. Further competitions will be evaluated using the following criteria or part thereof -

- Pricing (range to be 50-100%)
- Quality (range to be 0-50%, including Social Value where applicable)

Individual weightings and criteria will be advised at the time of further competition - these may differ from that stated for the Framework Agreement. Call-offs over approx. £1M in value may involve the requirement of a Performance Bond. Call-offs will be in accordance with JCT Intermediate 2016 contract (amended).

Lot 2

Generally further competition with all contractors able to meet the requirement. Further competitions will be evaluated using the following criteria or part thereof -

- Pricing (range to be 50-100%)
- Quality (range to be 0-50%, including Social Value where applicable)

Individual weightings and criteria will be advised at the time of further competition - these may differ from that stated for the Framework Agreement.

For requirements under £50K, the Council may, in its absolute discretion, Direct Award to any supplier appointed to this Lot.

Call-offs will be in accordance with JCT Minor Works 2016 (amended).

Lot 3

Generally further competition with all contractors able to meet the requirement. Further competitions will be evaluated using the following criteria or part thereof -

- Pricing (range to be 50-100%)
- Quality (range to be 0-50%, including Social Value where applicable)

Individual weightings and criteria will be advised at the time of further competition - these

may differ from that stated for the Framework Agreement.

For requirements under £50K, the Council may, in its absolute discretion, Direct Award to any supplier appointed to this Lot.

Where the work involves the replacement/installation of a proprietary roofing system and only one contractor on the Lot has the necessary accreditation to install that system, the Council may Direct Award to that contractor.

Call-offs will be in accordance with JCT Intermediate 2016 contract (amended), or JCT Minor Works 2016 (amended).

Lot 4

Under Lot 4, individual contracts are to be awarded directly in accordance with the ranking, although the Council may, in its absolute discretion, award to any contractor appointed to this Lot, and reference should be made to the applicable contract terms as being JCT Minor Works (amended)

10. Pricing

Pricing for Lots 1, 2 and 3 is to be determined on a project by project basis through further competition/Direct Award as appropriate.

Award method when using the framework

Either with or without competition

Contracting authorities that may use the framework
