Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.1) Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions

If required by the member state, bidders are required to be enrolled in the relevant professional or trade registers within the country in which they are established.

It is a requirement of this tender that if the bidder is UK based they must hold a valid registration with Companies House. Where the bidder is UK based but not registered at Companies House they must be able to verify to the Council's satisfaction that they are trading from the address provided in the tender and under the Company name given. Where the bidder is not UK based they must be able to verify to the Council's satisfaction that they are trading from the address provided in the tender and under the Company name given.

III.1.2) Economic and financial standing

List and brief description of selection criteria

It is a requirement of this contract that bidders hold, or can commit to obtain prior to the commence of any subsequently awarded contract, the types and levels of insurance indicated below:

Minimum level(s) of standards possibly required

Employer's (Compulsory) Liability Insurance = 10 Million GBP

Public Liability Insurance = 10 Million GBP

Professional Indemnity Insurance = 5 Million GBP

Product Liability Insurance = 10 Million GBP

A Creditsafe credit scoring check will be ran on registered Company Name and Company Number provided by the bidder. Where the resulting Credit Rating score is less than 30/100 the bidder may be excluded from the tender process unless suitable financial information is provided that gives satisfactory assurances to the Council regarding financial risk in appointing the bidder to the contract.

III.1.3) Technical and professional ability

List and brief description of selection criteria

Bidders will be required to provide 2 examples from the past 5 years that demonstrate that they have the relevant experience to deliver the services/ supplies as described in this procurement exercise.

Bidders will be required to confirm that they have (or have access to) the relevant supply chain management and tracking systems used by them to deliver the types of requirements as described in this procurement exercise.

Bidders will be required to confirm that they will employ environmental management measures.

Minimum level(s) of standards possibly required

Bidders will be required to confirm their average annual manpower for the last three years and the number of managerial staff for the last three years.

Bidders will be required to demonstrate that they have (or have access to) the relevant tools, plant or technical equipment to deliver the types of requirements as described in this procurement exercise.

Bidders will be required to confirm whether they intend to subcontract and, if so, for what proportion of the contract.

III.2) Conditions related to the contract

III.2.2) Contract performance conditions

Community benefits clauses will be included within this contract.

III.2.3) Information about staff responsible for the performance of the contract

Obligation to indicate the names and professional qualifications of the staff assigned to performing the contract

Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

IV.2) Administrative information

IV.2.5) Scheduled date for start of award procedures

16 January 2026
