### **Scope**

### **Reference**

CN250560

### **Description**

This scheme supports Kent County Council's (the Council) strategic priorities that are outlined within Framing Kent's Future and Securing Kent's Future 2022-2026. It will help support improving the infrastructure for communities and providing improved cycling and pedestrian facilities at the B2017/B2016 junction which is adjacent to Mascalls Academy. The scheme also supports the key priorities set out in the Councils Local Transport Plan 5 'Striking the Balance' (LTP5) in terms of providing additional highway capacity, improving accessibility and reducing congestion.

The scheme includes the widening of Badsell Road, new junction signals with improved pedestrian facilities, widening of existing footways and provision of a new shared route on the south side of Badsell Road. New drainage basins and an attenuation tank will help to mitigate the existing flood risk.

## **Engagement**

### **Engagement deadline**

1 October 2025

The engagement was carried out before this notice was published.

### **Engagement process description**

The market engagement was carried out before this notice was published.

Kent County Council (the Council) engaged with suppliers through the local Engineering Contractors Association (CECA) Southern Event, held on Wednesday 1st October 2025. The event allowed the Council to engage with the market to provide an overview of the pipeline of work, gauge the level of interest in upcoming opportunities, and provide an overview of procurement.
