Description

The Nottingham University Hospitals NHS Trust (The Trust) is conducting this Preliminary Market Engagement exercise regarding the provision of installation, servicing and maintenance of macerators at Nottingham City Hospital including, but not limited to, a minimum of 2 maintenance visits per annum, 24/7 call out support and guaranteed next day call out for reactive maintenance. Installation shall be required on an ad-hoc basis e.g. lifecycle replacements.

The purpose of this PME exercise is to gauge interest from the market, understand its capability to deliver the Services and seek your views to inform any eventual procurement exercise undertaken by the Trust..

The objective is to identify and mitigate any potential issues to help ensure a "right first time" approach to any eventual procurement exercise.
