### **Framework operation description**

The services to be procured are defined as a Light Touch Contract within the Act. The Council will utilise the flexibility provided by Section 45 Frameworks clause (9) to

undertake a bespoke procurement process that considers elements of the Open Procedure, Framework and Open Framework.

At any time during the term of the Framework the Council shall, at its discretion, open the framework to new providers. This will be achieved by publishing a new tender notice inviting expressions of interest from potential providers for the provision of the Services under the existing framework.

The framework will continue on the same or substantially the same terms as this Framework Agreement and the competition will adopt the same or substantially the same conditions of participation and award criteria as those followed for the appointment of the Framework Providers. The existing Providers will not be required to submit a tender and shall remain on the framework unless otherwise agreed between the parties. The Council will award Call-Off Contracts with or without competition between providers on the Framework . The intention is that the framework will be for all new care packages from 22nd June 2026 and that legacy providers will keep their existing care packages unless removed for other reasons.

### **Award method when using the framework**

Either with or without competition

### **Contracting authorities that may use the framework**

#### **Description of risks to contract performance**

Please note Known Risks have been assessed as part of this procurement and in accordance with the Procurement Act 2023, the Council reserves the right to modify this contract where such changes meet the criteria for permitted modifications under Section 74 and Schedule 8 of the Act. This

includes, but is not limited to:

The Council reserves the right to adapt to any changes with regards to any Regulatory body changes, case law and government legislation changes.

Published Framework Value (Tender Notice): The advertised spend for the Home Care Support Framework as specified in the procurement documents and this Tender Notice is indicative only. This value reflects the anticipated demand; however, actual expenditure may vary due to the unpredictable nature of the requirements.

Advertised Lot Values: The Authority recognises that future changes in market conditions may result in discrepancies between the estimated and actual values.

It is acknowledged that the overall estimated framework spend published in this tender notice may be exceeded and that the permitted pricing adjustments may be a contributing factor in the final framework value exceeding the initially advertised amount.

Any such modifications shall be undertaken in compliance with the permitted grounds set out in Section 74 and Schedule 8 of the Act, including but not limited to modifications arising from unforeseeable circumstances or the materialisation of a known risk.
