Description

North East Lincolnshire Council is seeking tenders for the preparation of an Activity and Interpretation Plan for a heritage project in Grimsby town centre. Due to the short timescales for the project, tenders are being sought in advance of the decision on our development phase funding application. This is to enable the successful consultant to be contracted as soon as possible after Permission to Start, if we are successful. The production of a detailed, costed activity and interpretation plan is required, which should include activity designed to enable better understanding of the architectural and social heritage of the site, as well as the audiences that we want to reach. The Plan will be submitted as part of the bid requirements for the delivery phase of the project.
