Scope

Description

The village of Sterndale Moor (SK17 9QB) has a longstanding children's playground. Much of its equipment is becoming life-expired, and we wish to replace these items with new and more modern equipment. We would like the latter to include at least a zipline, disability-friendly swings, a picnic table/seating, monkey bars, slide/tunnel, basketball hoop and goalpost nets, while maintaining suitable separation between the areas for older and younger children,

We seek a supplier who will propose a suitable package of improvements to the playground, with a view to then both supplying and installing.
