Reference

IT1844 on Bravo

Description

The overall objective of this project is to co-design our three AI propositions - focusing on health & care, adoption and connectivity, develop the underlying processes and tools we'll use to deliver them and establish our technology partner selection and management framework. The project will also conclude with implementation and capability recommendations.

Total value (estimated)

- £50,000 excluding VAT
- £60,000 including VAT
