Engagement process description

Gentoo Group is committed to working with businesses of all sizes, and our upcoming Asbestos Abatement Framework is designed with all contractors in mind. We understand the value that local and specialist suppliers bring to our communities, and we want to make it easier for you to get involved.

To support early engagement, we're hosting a Supplier Engagement Event to introduce the new Framework and explain how it works. This is a great chance to learn more, ask questions, and help shape the final approach.

About the Framework

The new Asbestos Abatement Framework will cover the following two main lots:

Asbestos Surveying & Analytical Services

Asbestos Removal & Remediation
