## Procedure

### Procedure type

## Direct award

### Direct award justification

- Single supplier - intellectual property or exclusive rights
- Single supplier - technical reasons
- Defence and security - necessary to enhance or maintain operational capability, effectiveness, readiness for action, safety or security of the armed forces

The contract will be awarded under Section 41 and Schedule 5 of the Procurement Act 2023. Ultra Electronics Command and Sonar Systems is the Design Authority for PDM systems and holds exclusive intellectual property rights for the design, software and test infrastructure. The supplier alone has the specialist knowledge and equipment to maintain and update these systems. For interoperability and safety reasons, only this specific PDM equipment can be supported, and only the supplier can deliver changes in line with Navy Command requirements. This contract is necessary to maintain operational capability and readiness of RN and RFA vessels.
