## **Reduced tendering period**

Light touch contract - no minimum

## **Justification for not publishing a preliminary market engagement notice**

The Council has opted not to publish a separate preliminary market engagement notice as this Expression of Interest exercise serves the same purpose. By inviting EOIs directly, the Council is able to gauge market capacity, capability and appetite, while keeping the process proportionate and straightforward. Further stages are yet to be determined and may be dictated by the level of interest from the market but at this stage will likely include:

Stage 1 - Engagement with interested Bidders to better understand capability and capacity to help scope the requirement
