Scope

Description

This Request for Information (RFI) is issued to engage the market and gather insights. The information provided in response to this RFI will help inform our understanding of current market capabilities and assist in shaping the development of an appropriate procurement strategy.

Through this RFI, the BMfS programme seeks to assess:

- Market interest and appetite for the opportunity
- The capabilities and service offerings of potential providers
- Emerging innovations, including the application of Artificial Intelligence (AI)
- Approaches to the design and implementation of robust data security
- The potential benefits of introducing a new Service Integrator model.

Contract dates (estimated)

- 1 June 2027 to 31 May 2032
- 5 years
