Reference

CEFAS25-80

Description

The BEEMS (British Energy Estuarine and Marine Studies) programme is funded by Sizewell C Limited. Through this programme, Cefas provide authoritative scientific information on the marine and transitional waters in the vicinity of potential new build nuclear power stations and require the Supplier to deliver the elements described below.

The purpose of this project is to provide bathymetric data at Sizewell to assess the geomorphological changes of the region, hence contributing to the ongoing monitoring of the Sizewell Coastline. These surveys are a regulatory requirement under the Development Consent Order's (DCO) conditions and the Coastal Processes Monitoring and Mitigation Plan (CPMMP).

Cefas anticipate 4 - 6 Multibeam Echosounder (MBES) bathymetric surveys to IHO

Special Order (at a minimum) within the Greater Sizewell Bay (GSB) for a 12-month period between October 2025 and September 2026 (with the option to extend for up to 4 additional years), roughly following a quarterly schedule with the potential for additional surveys subject to requirements.

Exact survey dates will be agreed between Cefas and the supplier during the pre-survey kick off meetings, however the timings for surveys are dependent on construction schedules so may be subject to change at short notice. We currently expect the first survey to be required in October/November 2025, with following surveys in approximately January 2026, April 2026 and July 2026.

A Core Contract has been awarded to the top ranked Supplier with the intention that all required work will be completed by that Supplier.

Due to the nature of the work and the risks associated, 3 Call-Off Contracts have also been awarded to the next 3 ranked Suppliers. These will only be used if the top ranked Supplier is unable to complete the services.

We are therefore unable to determine the value of spend through each contract.

1st ranked Supplier to be awarded a 'Core Contract' -LandScope Engineering

2nd ranked Supplier to be awarded a 'Call-off Contract' -SEP Hydrographic Limited

3rd ranked Supplier to be awarded a 'Call-off Contract' -Njord Survey AB

4th ranked Supplier to be awarded a 'Call-off Contract' -Ocean Ecology Limited

Contract 5. CEFAS25-80-1 Contract for Bathymetric surveys Sizewell C for the BEEMS programme

Supplier

- [Landscape Engineering Limited](#)

Contract value

- £500,000 excluding VAT
- £600,000 including VAT

Above the relevant threshold

Date signed

5 November 2025

Contract dates

- 6 November 2025 to 5 November 2026
- Possible extension to 5 November 2030
- 5 years

Description of possible extension:

Option to extend for 4 x 12 month periods on an annual basis.

Main procurement category

Services

CPV classifications

- 71354500 - Marine survey services

Contract 6. CEFAS25-80-2 Contract for Bathymetric surveys Sizewell C for the BEEMS programme

Supplier

- [SEP Hydrographic Limited](#)

Contract value

- £0 excluding VAT
- £0 including VAT

Above the relevant threshold

Date signed

3 November 2025

Contract dates

- 4 November 2025 to 3 November 2026
- Possible extension to 2 November 2030
- 4 years, 11 months, 29 days

Description of possible extension:

Option to extend for 4 x 12 month periods on an annual basis.
