Scope

Description

South Tyneside Council wishes to carry out a tenant satisfaction measures (TSM) survey to understand the views of our customers. The council currently has 16,000 tenancies.

We would like the successful provider to use the government's set TSMs questions as the basis for carrying out a tenant satisfaction survey with a representative sample of the council's tenants. The survey may need to be reviewed and amended should the content of the TSMs change during the period but must include:-

- Separate covering letter
- All required TSM questions
- Two additional open text questions
- Six demographic questions (9 options max per question, previously one A4 side)

Total value (estimated)

- £48,000 excluding VAT
- £57,600 including VAT

Below the relevant threshold

Contract dates (estimated)

- 1 February 2026 to 31 January 2029
- Possible extension to 31 January 2030
- 4 years

Description of possible extension:

An extension would be approved if the Council is satisfied with the service that has been provided throughout the initial contract period,
