### **Award criteria**

<b>Name</b>	<b>Description</b>	<b>Type</b>	<b>Weighting</b>
Fulfilment of specification	This assesses how closely the tenderer fulfils the scope of work as indicated by the Council. An explanation of how the tenderer will meet each criterion and any additional value or services the tenderer may be able to add would be welcomed.	Quality	35%

---

Name	Description	Type	Weighting
Cost	<p>This assesses the cost and value for money the tenderer can provide the Council. A clear breakdown of how the tenderer will bill for their services would be welcomed. Tenderers may wish to indicate any year on year increases which might be required for the life of the lifetime of the contract.</p>	Cost	35%

Name	Description	Type	Weighting
Experience and references	<p>This assesses the tenderer's experience demonstrating a track record of competence and good service.</p> <p>Tenderers may wish to include how long they have been operating, the type and amount of previous relevant work they have delivered and the experience of their operatives.</p> <p>Tenderers are also invited to share up to two references from previous or continuing work, who they are comfortable for the Town Council to contact. Tenderers without references (for example new companies) may benefit from clearly indicating this to clarify a lack of references.</p> <p>Such tenderers will not be penalised for not having references, but clear evidence of relevant experience would be valuable.</p>	Quality	12.5%
Reducing barriers to opportunity and economic growth	This assesses how the Quality tenderer supports opportunities for small businesses and social enterprise either through working with such organisations or being one itself.		10%

Name	Description	Type	Weighting
Sustainability practice	<p>This assesses how the Quality tenderer considers sustainable business practices that contribute to protecting the environment and climate. This might include whether the tenderer makes sustainable purchasing decisions for its supplies, what it undertakes to reduce emissions as a result of its business, how they work to sustainably manage waste, or anything else the tenderer considers relevant to sustainability. Please note that cleaning materials, chemicals and agents supplied and used by the successful tenderer must have considerations to be environmentally friendly where possible and used with biodiversity in mind. Evidence of this would be welcome within the tender.</p>		7.5%
