Providers wishing to apply to increase their current GDS contract value must therefore meet all the legal requirements of the General Dental Services (GDS) contract. The Health Board would also welcome applications for a new dental practice to be set up within the Swansea Bay area. If a new practice application is successful, this will be subject to the issue of a Personal Dental Contract (PDS), for an initial period of 5 years. Following this period, the Health Board will review the service provision, and if all contract activity is at an acceptable level, a General Dental Services (GDS) contract will be issued, to replace the PDS contract, in line with Regulation 21 of the Personal Dental Services Regulations (2006).
