## Procedure

### Procedure type

Direct award

### Direct award justification

Extreme and unavoidable urgency

Electromyography and Nerve conduction studies (EMG/NCS) machines and an Electroencephalogram (EEG) machine. To be awarded under the provisions of paragraph 13 of Schedule 5 of the Procurement Act 23 (Extreme and Unavoidable Urgency) to protect patient services. The Trust has been required to bring the related clinical services back in house at pace due to the termination of the contract with the previous provider of the related clinical services.

In addition to the Extreme and Unavoidable urgency, the award to this supplier is required for compatibility with existing equipment and IT Infrastructure.
