The Mental Capacity Act (MCA) DoLS provide protection for vulnerable people who are accommodated in hospitals or care homes (referred to as managing authorities) in circumstances that amount to a deprivation of their liberty, and who lack the capacity to consent to the care or treatment they need. In such cases, MCA DoLS provide a lawful way to deprive someone of their liberty within the meaning of Article 5 of the ECHR, provided that this is determined to be in their best interests and the less restrictive option in order to keep them safe from harm.
