Description

This Notice is for informational purposes only and is not a formal invitation to tender. Its aim is to enhance transparency and competition for the upcoming tender notice. All details provided here may be updated or changed in the final tender notice. The Authority reserves the right to cancel, postpone, suspend or abort the procurement at any stage. The issue of this notice in no way commits the Authority to commence a procurement process.

Islington Council is seeking to procure a Care and Support service for up to 17 adults with complex and enduring mental health needs. The service will be delivered within supported living accommodation comprising either self-contained studio apartments with shared communal facilities at Beaumont Rise, a new development currently under construction or individual rooms with shared facilities. at Hanley Gardens, an existing scheme.

The provider will support residents with daily living tasks such as medication management, budgeting, cleaning, and cooking. The service will deliver trauma-informed, person-centred, and strength-based mental health support. Providers must demonstrate expertise in active risk management and work collaboratively with clinical teams to ensure resident safety and well-being.

The successful provider will have a proven track record of delivering high-quality care and support services to individuals with complex mental health needs. The Council reserves the right to confirm the final location of the service based on site readiness. Should Beaumont Rise not be available at the time of contract commencement, the service will begin at Hanley Gardens, with the provider supporting residents through any future transition to the new accommodation.
