Description

Nottinghamshire County Council (the Council) wish to put a Framework Agreement in place for the supply of its software licence agreements, applications and associated services.

Within scope of the Framework is software purchased both for Council corporate use, maintained schools and a number of arms length organisations owned by the Council:

- Core requirements are based around an Approved Product Portfolio; software that has been tested by the Council and is known to be compatible with the Council's current infrastructure.
- Commercial off-the-shelf software (COTS)

- Associated services related to software including, but not limited to, training, installation and consultancy
