### **Description**

North East Lincolnshire Borough Council's Housing Related Support (HRS) service is delivered in partnership with local housing support services to teach citizens the skills to live independently and prevent homelessness. HRS is a short-term support service which aims to give citizens the skills to manage their home well. The aim of HRS support, is that citizens will no longer need further assistance from other homelessness services.

The HRS service is undertaking Preliminary Market Engagement, to enable the sharing of insights gathered as part of a discovery project completed in early 2025, and to discuss the perspectives of organisations within the HRS market, and local housing, housing

support and support providers regarding HRS provision. This is first of what may be a series of PME activities to shape our future HRS requirement prior to re-procurement.

### **Engagement process description**

North East Lincolnshire Borough Council's Housing Related Support (HRS) service is undertaking Preliminary Market Engagement, to enable the sharing of insights gathered as part of a discovery project completed in early 2025, and to discuss the perspectives of organisations within the HRS market, and local housing, housing support and support providers regarding HRS provision.

This is first of what may be a series of PME activities to shape our future HRS requirement prior to re-procurement.

We would like to invite organisations to a collaborative workshop focused on shaping the future of Housing Related Support (HRS) in North East Lincolnshire. HRS is a short-term support service currently offered to residents in our borough. Its aim is to equip individuals with the skills to manage their home well, with the ultimate goal of reducing reliance on homelessness services. However, we recognise that the current offer may no longer fully meet the needs of our community. To ensure any future commissioning reflects local needs and insights, we are bringing together housing and support providers from across the borough to explore what a refreshed HRS offer could look like.

Workshop Details :

Date/Location 4th December 2025, 13:00 pm, Centre4 Wootton Hall, Wootton Road, Nunsthorpe, Grimsby, DN33 1HE.
