Scope

Description

The project involves the installation of a new modular public WC facility at Longforth Road to

replace the accident-damaged building demolished in 2024.

The successful contractor will:

- ? Undertake the role of Principal Contractor under the CDM Regulations 2015.
- ? Establish, manage, and maintain safe site operations.
- ? Deliver the substructure works, including foundations, drainage, incoming services, and associated external works, in accordance with the design provided.
- ? Coordinate with the modular unit supplier (Danfo Limited) for delivery, siting, and

installation.

? Manage subcontractors and programme sequencing to ensure safe and efficient completion.

? Oversee commissioning and final handover of the facility for public use.
