Scope

Description

The British Council in the Middle East and Africa is looking to work with experienced service providers to deliver online English placement and proficiency tests. These tests will play an important role in helping us understand and support the English language skills of participants across our programmes in the region. We are looking for tests aligned with UK standards and the Common European Framework of Reference for Languages (CEFR), ensuring they are consistent, reliable, and meaningful for all learners. Providers appointed under the framework agreements will have the opportunity to participate in mini competitions whenever tests are required.
