---

## **Engagement**

### **Engagement deadline**

17 December 2025

### **Engagement process description**

Sellafield Ltd are keen to gain a better understanding of what the market can offer to allow us to refine and shape our requirements for Dose Control and Management System.

Therefore, Sellafield Ltd is seeking to obtain feedback on proposed structure and requirements and appropriate extensions and identify a suitable approach for the commercial model.

Potential tenderers, must register their interest to obtain further information and provide feedback about this opportunity via the Nuclear Decommissioning Authority and Sellafield Ltd E-procurement system, Atamis.

This can be found at the following address: <https://atamis-2464.my.site.com/s/Welcome>.

Once you have registered on Atamis, you can access all documentation and submit feedback using the record reference C28052, Dose Control and Management System Market Engagement.

---
