- 45111000 - Demolition, site preparation and clearance work

### **Contract locations**

- UKJ - South East (England)

---

## **Engagement**

### **Engagement deadline**

8 December 2025

## Engagement process description

The purpose of this engagement is to identify suppliers with an interest in undertaking the role of Principal Designer under the CDM 2015 Regulations to support a Main Contract for the Removal of the Boilers at Dungeness A Site.

A copy of the scope of works is attached for further information.

It is intended to provide further information about the Project during a presentation to be held w/c 2 December 2025. The specific time and date is to be advised. NRS Ltd. will be seeking views from the supply chain to inform the Strategy before undertaking a Stage 1 – Participation Assessment of suppliers against conditions of participation exercise leading to a short list before then issuing the Stage 2 – Tender.

For suppliers interested in working with NRS on this Project, please send your contact details to [Ben.bilton@nrsservices.uk](mailto:Ben.bilton@nrsservices.uk)

To obtain further information, please go to Contracts Finder and search 'Principal Designer – Removal of Boilers at Dungeness A Site'.

Please note that participation in this preliminary market engagement will not provide any commercial advantage or disadvantage and/or any commitment from NRS to engage with any subsequent procurement arising

Please see links to the Preliminary Market Engagement Document prepared by NRS and the Scope of work below:
