Scope

Description

United Utilities Water Limited (UU) invites suitably qualified suppliers for the provision of trailers under a multi-lot framework agreement. This procurement supports UU's AMP8 investment programme and strategic goal of achieving net zero by 2030. The scope includes supply, delivery, pre-delivery inspection, registration, warranty support, training, optional maintenance packages, and parts provision. Suppliers must demonstrate Euro VI compliance, robust aftersales support across the North West, and alignment with UU's sustainability and operational resilience goals. The agreement will run for 5 years with options to extend up to 8 years. Lot 3 will be awarded on a dual-supplier basis (70/30 split). Applicants must meet stringent eligibility criteria including financial standing, ISO certifications (9001, 14001, 45001), and demonstrate capability across all required service areas. Full details and participation requirements are outlined in the Conditions of Participation Questionnaire (CoPQ).
