Scope

Description

The Liverpool City Region Combined Authority is looking for a provider to deliver under contract, the Supported Employment Quality Framework element of LCR's Connect to Work Connect programme.

Connect to Work will be a key component of the LCR's plans to tackle unemployment and economic inactivity across the Liverpool City Region. It will also contribute to the Metro Mayor's election manifesto pledge to, 'grow the Liverpool City Region economy'. SEQF will give particular attention to helping residents who because of their situation, are more likely to face significant disadvantage when trying to gain employment.

The event will be an opportunity for you to:

- understand the LCRCA's intentions for Connect to Work.
- be told how Connect to Work links to the LCR's plans for employment, education and

skills.

- better understand the role SEQF will play.
- be told about the process LCRCA will be following to procure a provider for the SEQF programme.

Delivery of LCR's SEQF programme will commence on 01 April 2026.

The market engagement events will be held on:
