Description

A contract is needed so that Islington Council can enable access to the service provider, Locta Ltd. Islington Council purchased the services of the Service Provider (Locta Limited) and received Government funding to develop the RTPF and Resettlement Connect modules. Therefore, the contract with the Council (Islington Council) is required to access these modules. The contract also cites indemnities and services which Islington Council is responsible for, including 'onboarding' and facilitating 'go live' preparations with other local authorities, providing training and aftercare support too.
