Contract

Palo Alto Licences and Support renewal

London Borough of Haringey

UK7: Contract details notice - Procurement Act 2023 - [view information about notice types](#)

Notice identifier: 2025/S 000-075751

Procurement identifier (OCID): ocds-h6vhtk-05e5af

Published 20 November 2025, 2:57pm

Scope

Reference

25-125

Description

A short 12-month contract is required as some of the devices using the licences are end-of-life and the anticipation is they will be swapped out by end of the term. We can offset licences for redundant kit against new licenses. A longer contract will be let after 12-months.

The licences are a critical element of the Council cybersecurity provision, providing essential firewall protection and URL filtering.
