Description

This study will encompass various zoning scenarios, techno-economic evaluations, and an assessment of potential community benefits. The findings from these assessments will support the Council in securing future funding, informing internal budgeting decisions, and providing an overview of the initial programme as the borough moves towards its net zero objectives.

This work is funded via the UK Shared Prosperity Fund (UKSPF) under the theme Supporting Local Business and as such this stream of work will require completion by the 31st March 2026.
