Description

The UK is seeking to work with a supplier or consortium to host an event on the security and growth of frontier technology in Brussels, inviting European governments, EU institutions, industry and academia.

The event will bring together leading thinkers and policy makers to engage in an open discussion, where participants will consider our approaches to economic security and frontier technology and discuss emerging themes, including where there is opportunity for further collaboration to enhance policy and strengthen cooperation between the UK, EU, and like-minded partners.
