- UKH - East of England
- UKI - London
- UKJ - South East (England)
- UKK - South West (England)
- UKL - Wales
- UKM - Scotland

VII.1.4) Description of the procurement:

This Framework was established to provide Wireline Geophysical logging services to the Mining Remediation Authority. There is no change to the nature or value of the framework.

Due to unexpected delays in the selection of sites which require Geologging surveys this framework has only discharged half of the value which was originally expected. We are extending this framework for 1 year and 11 months to bring the total duration to 3 years and 11 months.

VII.1.5) Duration of the contract, framework agreement, dynamic purchasing system or concession

Duration in months

47

In the case of framework agreements, provide justification for any duration exceeding 4 years:

This Framework will be extended until the 4th of November 2027.

This will be 3 years and 11 months from when the Framework began.

The original framework was 24 months. This extension is for a further 23 months. This brings the total duration of the framework to 47 months,

VII.1.6) Information on value of the contract/lot/concession (excluding VAT)

Total value of the contract/lot/concession:

£1,000,000

VII.1.7) Name and address of the contractor/concessionaire

IGNE

Powys

LD8 2UF

Country

United Kingdom

NUTS code

Llandudno Junction

LL31 9PX

Country

United Kingdom

NUTS code

- UKL - Wales

Companies House

02059684

The contractor/concessionaire is an SME

Yes

VII.2) Information about modifications

VII.2.1) Description of the modifications

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

This Framework contract is being extended due to delays in processing the sites which require Geologging.

VII.2.2) Reasons for modification

Need for modification brought about by circumstances which a diligent contracting authority/entity could not foresee.

Description of the circumstances which rendered the modification necessary and explanation of the unforeseen nature of these circumstances:

Processing the data for the allocation of Geologging services to Boreholes and Mine shafts has taken longer than expected. This is due to a lack of available data in places, property access issues and other unforeseen reasons.

VII.2.3) Increase in price

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)

Value excluding VAT: £1,000,000

Total contract value after the modifications

Value excluding VAT: £1,000,000
