West Park School catering aims:

- To ensure that the whole school community understands the importance of a nutritionally balanced diet in promoting health and wellbeing.
- To offer pupils and staff a range of value for money options, suitable for all customer's budgets to maximise uptake of the catering service.
- To stimulate pupil interest in the service through promotions, variety, new foods and links between to the curriculum.

The School has had the same catering contractor for a significant number of years, and this is the first time the contract has been placed at competitive tender for over 5 years.
