Description

The House of Commons and House of Lords is conducting supplier engagement to explore market capability for the provision of PPE, Specialist PPE (including body armour), and Uniforms. While the Authority is interested in understanding whether a single supplier could deliver all categories, suppliers are welcome to express interest in any or all areas they can support. The Authority may require the addition of embroidered logos and Parliamentary branding to certain items where feasible. All products must meet the specifications outlined in Annex A or offer suitable equivalents and be of sufficient quality to last their expected lifetimes.
