Engagement

Engagement deadline

4 December 2025

Engagement process description

Nuclear Restoration Services Limited (NRS) invites suitably qualified and experienced contractors for the electrical upgrade of a critical crane asset located within the SGHWR (D60) facility at NRS Winfrith in Dorset to register their interest in this opportunity. This Market Engagement is issued to identify potential suppliers capable of delivering the

scope of work in compliance with nuclear safety standards, applicable UK regulations and with a view to inviting these organisations to tender for the business requirements / scope of works.

To obtain further information, including all documentation, please follow these steps:

1. Log in to the supplier portal at: <https://atamis-2464.my.site.com/s/Welcome>
2. Locate the opportunity using 'Find Opportunities' or use ref C28332
3. Register Interest
4. Access documentation and submit response within 'My Proposals and Quotes'
