## **Scope**

### **Description**

The purchase of 2 drones and additional safety equipment to create a covert drone capability within OSU. OSU has selected a drone that is currently being used, and was recommended to us, by Border Force Small Boats Operational Command, the Parrot Anafi USA SE (Security Edition) drone.

OSU has obtained quotes for this equipment through approved UK resellers. The Anafi USA SE has been selected due to its GDPR compliance, Parrot's default opt-out position re data sharing and its secure supply chain/manufacture – the devices are built in the USA with no Chinese components. They are only available to government/law enforcement/military
