Description

The London Hate Crime Stakeholder Reference Group (SRG) is the primary forum that enables the voice of communities targeted by hate crime to be heard by those criminal justice agencies responsible for providing the right response. The SRG hosts meetings four times a year comprising community and statutory partners where specific themes are discussed.

The contract will start in January 2026 for an initial term of two years (annual value of £30,000, totalling £60,000 over the initial period). There will be one option to extend for a further two years (£60,000 if extension is exercised). An additional £30,000 has been provisionally allocated to allow for potential future variations to the contract, such as changes in scope or service requirements and pricing flexibility, subject to appropriate governance. The maximum potential contract value is therefore £150,000.
