CCS/25/047

Description

The City and County of Swansea is establishing a Framework Agreement for the provision of professional Drain Cleaning and Jetting Works. This Framework aims to ensure efficient, effective, and responsive maintenance of drainage systems across various Council-managed properties and facilities. The Framework will enable swift emergency responses and regular maintenance operations, ensuring uninterrupted and high-quality services throughout the designated contract period

Commercial tool

Establishes an open framework

A series of frameworks with substantially the same terms. Awarded suppliers are carried over and new suppliers can bid.
