Planning

Smart Bin Compressor MW

Wolverhampton City Council

UK2: Preliminary market engagement notice - Procurement Act 2023 - [view information about notice types](#)

Notice identifier: 2025/S 000-076799

Procurement identifier (OCID): ocids-h6vhtk-05e830

Published 25 November 2025, 11:52am

Scope

Reference

CWC25155

Description

Wolverhampton City Council is seeking market input for the deployment of solar-powered, self-compacting smart bins as part of its Smart City programme. This initiative aims to enhance waste management efficiency and sustainability in high-footfall areas by integrating advanced, data-driven technology. The PME will help identify innovative solutions, gauge market interest, and inform future procurement for smart waste infrastructure.

Contract dates (estimated)

- 1 September 2026 to 31 August 2030

- 4 years

Main procurement category

Goods

CPV classifications

- 34928480 - Waste and rubbish containers and bins

Contract locations

- UKG - West Midlands (England)

Engagement

Engagement deadline

15 December 2025

Engagement process description

Pre market engagement published via the ProActis Portal, this can be found on the following link: www.wolverhamptontenders.com.
