Fire Protection remedial works - hall of Residence Reactive Work

Oxford Brookes University

UK5: Transparency notice - Procurement Act 2023 - [view information about notice types](#)

Notice identifier: 2025/S 000-076810

Procurement identifier (OCID): ocds-h6vhtk-05e838

Published 25 November 2025, 12:05pm

Scope

Description

Below-threshold requirement. Continuity of delivery is necessary due to immediate access constraints and the specialist nature of passive fire protection works. The supplier has recently completed a successful trial flat and holds approved-contractor status. Running a competitive process would delay essential safety-related works and introduce operational risk.
