Reference

1025NMNES

Description

The Council requires a solution to manage the 189,000 trees within the Council's ownership and the 500 plus Tree Preservation Orders and Conservations Area protected trees within the city. This is a very specialised system which is critical to service delivery and statutory acts, such as Highways, Town & Country Planning - Tree Preservation. Our current system is used to manage all the above areas, which are critical to the city's trees management.
