### **Direct award justification**

Single supplier - technical reasons

ohn Hopkins contractors are uniquely positioned to provide the service outlined below because the trainings are built on research the lab led or participated in as scholars. In addition, the two contractors have a unique mix of both scholarly and practice experience, working with community leaders as educators, trainers, and co-practitioners. This specific knowledge base built off their research and their hands-on experience working in community uniquely positions them to provide this training
