NOTE: this is a re-issuing of a previous contract award notice issued in 2012 in relation to a contract award in 2012, and does not relate to an award of a new contract – see notice details for further information.

In 2012, following a public procurement exercise utilising competitive dialogue process and advertised pursuant to contract notice reference 2011/S 35-057904 dated 19 February 2011, Bridgend County Borough Council (the “Council”) awarded a contract to a partner organisation – Greenwich Leisure Ltd (GLL) - to deliver leisure management services within the County Borough of Bridgend (the “Contract”). The Contract included the direct management of a number of existing facilities and the provision of investment to enhance such facilities. The Contract was awarded for a period 15 years from 1st April 2012 to 31 March 2027. The award of the Contract was published pursuant to a contract award notice published on OJEU in 2012 (the “Original CAN”). The Original CAN has since been archived from OJEU and is no longer accessible and nor has the Council retained a copy of the Original CAN.

The Council now wishes to modify the contract that was awarded pursuant to the Original CAN and issue a contract modification notice pursuant to regulation 72 of the Public Contracts Regulations 2015. However, in order to allow the Council to publish such contract modification notice the Sell2Wales and Central Digital Platform require an extant contract award notice to be in existence and without an extant contract award notice the Council are unable to publish the requisite contract modification notice. Therefore, the Council is now re-issuing this contract award notice in addition to the Original CAN in order to allow it to publish the required contract modification notice. Therefore the publication of this contract award notice is an administrative task to allow the Council to publish the requisite contract modification notice.

For the avoidance of any doubt, the Council has not awarded any new contract pursuant to this contract award notice and the award of the original Contract remains (and the Contract continues in force to date). The Council will in due course publish a contract modification notice in relation to the modification to be made to the Contract.
