Fermanagh and Omagh District Council invited tenders for the collection, treatment and RDF/SRF processing of municipal waste for a period of 6 Months from Commencement of Contracts (Approximately September/October 2024) for each of Two Lots, with options, entirely at the discretion of Fermanagh and Omagh District Council, to extend the Contracts for each lot for a further period of 6 months or Part Thereof. The contract materials will consist of residual waste arising from the Council kerbside refuse collection service and recycling centre residual waste. The successful contractor will process the contract material by the removal/recovery of any recyclable material and processing of residues into RDF/SRF fuel. The aim of the contract services will be to divert residual wastes from landfill to assist the Council in meeting its landfill diversion targets. Material will be collected at Gortrush transfer station and Drumme Transfer Station as stated in the lots in bulk trailer or similar system. The Council will arrange for the loading of the successful contractor's vehicle. The treatment of this waste is to ensure that the Client meets its obligations Under Domestic and European legislation including the Landfill Allowance Scheme (Northern Ireland) Regulations 2004. Processes such as mechanical biological treatment, anaerobic digestion and the production of Solid Recovered Fuel (SRF) or Refuse Derived Fuel (RDF) for energy recovery at an R1 rated facility are acceptable technologies for the treatment of the Client's waste.

**VII.2) Information about modifications**

**VII.2.1) Description of the modifications**

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

Original Contract extended for a period of 6 Months. The contract is being extended for a further period of 3 months from 1 October 2025 with option to extend on a monthly basis up to a maximum of 6 months

### **VII.2.2) Reasons for modification**

Need for modification brought about by circumstances which a diligent contracting authority/entity could not foresee.

Description of the circumstances which rendered the modification necessary and explanation of the unforeseen nature of these circumstances:

A procurement exercise was commenced by the Authority to put in place appropriate and timely contract arrangements for a new Contract.

However, due to unforeseen disruption of the procurement process which delayed award of a new Contract an extension of the existing arrangements is required to ensure continuity of Service provision for the collection and disposal of waste materials.

### **VII.2.3) Increase in price**

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)

Value excluding VAT: £750,000

Total contract value after the modifications

Value excluding VAT: £2,250,000
